# THANK YOU FOR ATTENDING THE 41ST ANNUAL HEARTLAND CARWASH ASSOCIATION PRODUCT & EQUIPMENT INDUSTRY TRADE SHOW

On behalf of the Heartland Carwash Association Board of Directors, it is my distinct pleasure to welcome you to the 2026 HCA Product & Equipment Show.

Each year, this event represents far more than a trade show—it is a gathering of professionals who are committed to innovation, collaboration, and the continued growth of our industry. Whether this is your first time attending or you've been with us for years, we are grateful you chose to invest your time, energy, and expertise here with us.

The 2026 show was thoughtfully designed with one goal in mind: to deliver real value. From cutting-edge products and equipment to meaningful education and peer-to-peer connections, this event exists to help you work smarter, grow stronger businesses, and stay ahead in a rapidly evolving marketplace. Our exhibitors and sponsors have brought forward solutions, insights, and ideas that reflect where our industry is headed—and we encourage you to engage, ask questions, and build relationships that last well beyond the show floor.

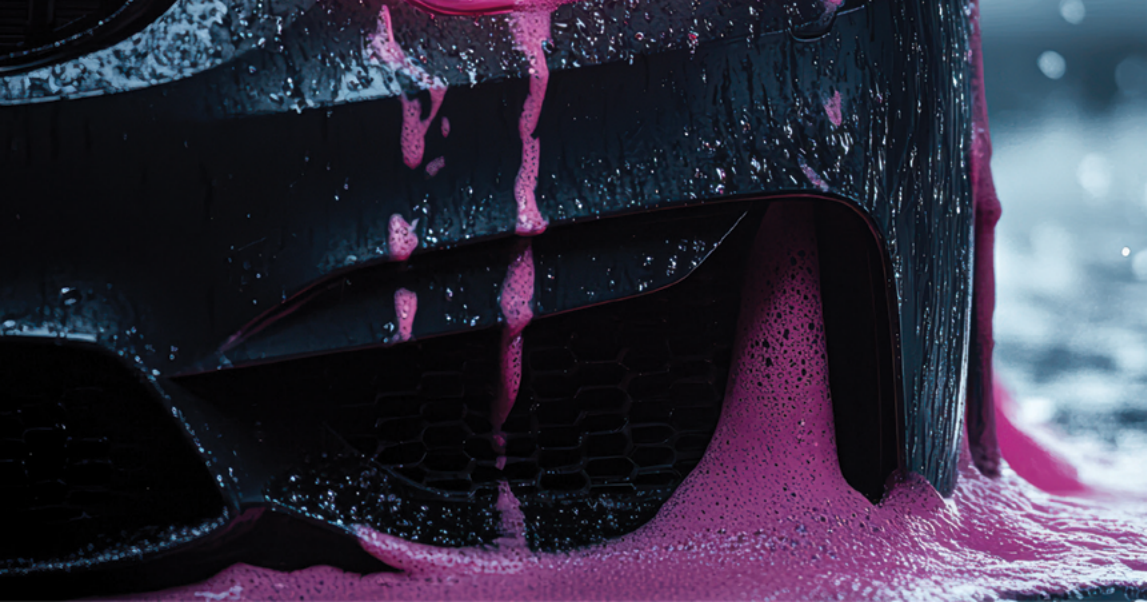

Equally important is the sense of community that defines HCA. This show is a space to reconnect with colleagues, meet new partners, and share experiences with people who understand both the challenges and opportunities unique to our industry. The conversations that happen here—on the floor, in sessions, and in the hallways—are often just as impactful as the products and programs themselves.

Thank you to our exhibitors, sponsors, speakers, volunteers, and staff who worked tirelessly to bring this event together. And thank you to each attendee for being part of what makes the Heartland Carwash Association strong: engaged members who believe in learning, leadership, and lifting one another up.

We hope you leave this show inspired, informed, and excited about what's next for your business and our industry. Enjoy the show, make the most of your time here, and most of all—welcome.

Warm regards,  
Pat Shannon  
President  
Heartland Carwash Association
